Kapama Southern Camp - Standard Suite

Open safari vehicles set off in the early morning and again in the late afternoon in search of game sightings. Your experienced ranger and tracker team ensure that you have a ringside seat for any wildlife encounters in this big game reserve in the Greater Kruger Park.

In between game drives and bush walks you will have plenty of leisure time in which to indulge in activities; perhaps a refreshing dip in the pool or a drink on the wide veranda as you watch for passing game. You could also retreat to your room for a siesta or take tea on your private deck and contemplate the surroundings.

Mouth-watering meals are served in the dining area which has open sides, so you can appreciate the tranquillity of the Camp's bush setting and atmospheric dinners around the fire in the open-air boma (traditional enclosure). The traditional outdoor boma is the favoured setting for dinner, weather permitting. Illuminated by firelight and starry skies, diners will enjoy diverse and tasteful cuisine conjured by chefs right before them. Open fires are often used for cooking too, in true African style.

In the late afternoon enjoy another game drive through the reserve. Stop for a sundowner drink as you watch the sun set over the distant peaks of the Drakensberg Mountains. As darkness falls, the nocturnal animals of the bush come out. The skilled tracker will scan the landscape using a spotlight, which illuminates animals' eyes.
